DELTA MDF KIT ADHESIVE

MDF KIT ADHESIVE

Delta Mdf Kit Adhesive

Delta Super Glue is a cyanoacrylate adhesive that set within seconds to form a strong bond in most of the smooth surfaces. It consists of high viscosity cyanoacrylate adhesive and activator.

It works well on both porous and non-porous materials. The adhesive can be used to bond tile, ceramic, porcelain, stone, glass, paper, cardboard, plastic, leather, cloth, wood, rubbers, etc. It is also resistant to moisture, most chemicals and freezing temperatures.

Characteristics

- Manufactured based on cyanoacrylate
- Two part adhesive with high adhesion strength
- Desirable concentration for using on vertical surfaces
- Usable on hard and rough surfaces
- Drying in a very short time
- Not change into yellow or white colors after final dryness
- Transparent and colorless

Direction of use

First of all, the surface has to be dry, clean, and not dusty and greasy. Then spray the activator on one surface and apply the required amount of glue gel on the other surface. Stick both parts steadily and strongly to each other for some seconds.

Use it in a well-ventilated area.

Storage and Shelf life

Recommended Storage Temperature is 2-10 °C. Maximum storage temperature is 25°C. Shelf life at the

recommended temperature (unopened) is 12 months. HDPE containers do not offer a complete barrier, store product away from other chemicals and sources of humidity. Strong light exposure can discolors products.

Physical & Chemical Properties

Specification	
Color	Colorless and Transparent
Polymer base	Cyanoacrylate
Viscosity (at 25°C) cps	1000-1200
Specific gravity (at 25°C) g/cm ³	1.06
PH	5

Safety and health

Keep out of reach of children. In case of contact with skin and eyes, wash with water.

Gloves, glasses and masks should be used during application, and proper ventilation should be used in the work environment. Protect from heat, light and moisture. It is a part of poisonous substances, but the dosage is very low.

Packaging

Packaging (Activator & Adhesive)	Numbers in a box
400 g +100 g	24
